Mr year tour of dut;	equested that we be advised whether there would be if the Deputy Director for Support administratively it would be in the best interests of the Agency to of Mr HHE from storage in Washington, D.G for use of his dependents who are being evacuated has completed less than one year of his two y and will presumably remain in Saigon until completion are advised that the cost of shipment would be about
	2. It should be recognised that if HHE are moved to the evacuation relocation address at Agency expense, we would be expected to move them from that point to the employee's next post of assignment when that assignment took place.  3. If you reply that there is no legal objection to such a determination by the DD/3, we would assume that there would be no objection to the same treatment for other similar cases. We would not, however, consider the shipment of HHE for cases wherein the anticipated period of stay at the evacuation relocation address was less than six months.
